

12 Fucking Rules for Success

1. Do the fucking work. Don't be lazy.
2. Stop fucking waiting. It's time.
3. Rely on yourself. The Universe doesn't give a fuck.
4. Be fucking practical. Success is not a theory.
5. Be productive early. Don't fuck around all day.
6. Don't be a fucking baby. Life's hard. Get on with it.
7. Don't hangout with fuckwits.
8. Don't fucking waste energy on shit you can't control.
9. Stop bullshitting. It's fucking embarrassing.
10. Stop being a fucking people-pleaser. It's sad.
11. Stop putting toxic shit in your body. It's fucking stupid.
12. Stop doing the same fucking thing and hoping shit will change.
